

American Institute of Mathematics and
Stanford Mathematics Department present

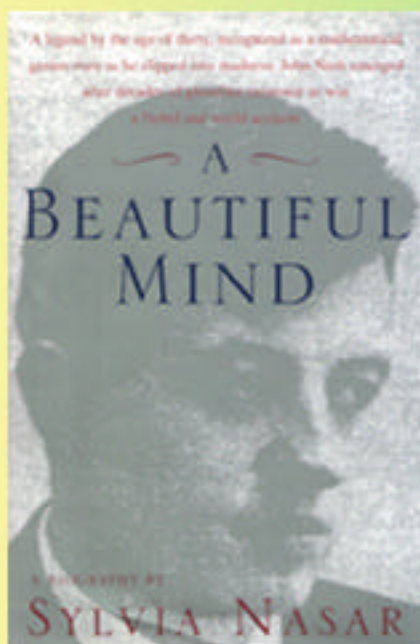

Sylvia Nasar

Acclaimed Author of
A BEAUTIFUL MIND

The story of John Forbes Nash, Jr.

"A legend by the age of thirty, recognized as a mathematical genius even as he slipped into madness, John Nash emerged after decades of ghostlike existence to win a Nobel and world acclaim."

Wednesday, May 1, 2002
7:30 p.m.
Dinkelspiel Auditorium
Stanford University

Tickets: \$8.00
Stanford Ticket Office
