- d. Useful tip: Airpor shuttle from Pudong to Wulin Gate can pick the guests from the arrival gate, please call 13916108450 (Mr. Jiang).

Transition through Shanghai Pudong Airport (PVG)

- a. For detailed information, check the wikipedia---Shanghai Pudon International Airport.
- b. Determine the terminal of your arrival. The airport has two terminals. Most flights from Europe and US arrive at terminal 2 (check the wikipedia).
- c. The shuttle bus is located in the parking lot near terminal 1, in ground level.
- d. The two terminals are connected by a LONG walkway, on the second level. In case you arrive at terminal 2, to get to shuttle bus, you need to go through the passage link to terminal 1 and take elevator down to level 1A. Outside. you will see the parking lot and bus stops (by a small and low-rise building).
- e. If you have access of phone, you can call 13916108450 (Mr. Jiang) to ask the shuttle to pick you up from terminal 1.

- f. On Aug 18th and 23rd, we will have students on site in terminal 2 to help you get on to the shuttle bus. Please look for sign (*Arithmetic and Algebraic Geometry, Hang Zhou*). If you do not see the sign, please go to the *Information desk* at terminal 2. We will have onsite help on Aug. 18th from 12:00 to 18:00, possibly longer.
- g. (Important) It is important that you let us know your flight arrival time so that we will make appropriate arrangement to accommodate your need. Note that it usually takes about one hour to clear the customer.

If you might need help making transition through Shanghai Pudong airport, please inform us your *arrival date, airline, flight number, and arrival time*.

Please send information to, and if you have question, contact
Mr. Qing-You Sheng, qysun@cms.zju.edu.cn

We will updated this information ahead of arrival time. Please check the time of onsite help at Pudong airport before leaving for China.

Have a smooth trip to China.
