Math 19: Calculus    Winter 2008    Instructor: Jennifer Kloke

Survey
Due Friday, January 11

1. Name:

2. Where is your hometown?

3. What year in school are you?

4. What is your major or what do you think your major will be? If you’re not sure, what areas are you interested in (e.g., biological sciences, literature, business, engineering)?

5. What was the last math class you took? Where did you take it?

6. Do you plan to take another math class after this one? If so, what might you take?

7. Why are you taking this class? If you are taking it to satisfy the DB-Math requirement, why did you choose this class and not, say, a statistics class?

8. Tell me something about yourself that you are willing to share. (For instance, what is your favorite hobby? Is there an issue that you are particularly passionate about? Are you involved in any student groups on campus?)

9. Is there anything else you would like me to know?
