

Application for the MS in Mathematics
with field designation: Financial Mathematics

September 1998

This application is for students that have already been admitted to a Graduate Degree Program at Stanford and wish to get, in addition, the MS Degree in Mathematics with Financial Mathematics as field designation. It is also for Stanford undergraduates. Applicants from outside of Stanford University should submit a regular application according to the University regulations detailed in <http://www.stanford.edu/dept/registrar/admissions/applyinfo.html>.

Name:

Address:

Phone number:

Email:

Degree program in which you have been admitted to Stanford:

Year you were admitted:

Expected date of completion of degree work:

Faculty advisor:

Have you taken all the courses, or their equivalents, that are listed as **prerequisites** for the MS-Math (FM) degree?

Have you taken any of the required courses? Which ones?

List the courses in MS-Math (FM) Program that you wish to take in the Fall, Winter and Spring 1998-99 (or 1999-00) quarters.

Have you discussed with your Faculty Advisor your intention to obtain the MS-Math (FM) degree?

Please submit a copy of this application to Melissa Hoover in the Mathematics Department Office 381P, phone 650 723 2601, email melissa@math.stanford.edu, along with a transcript of your academic record. Then contact Professor G. Papanicolaou (papanico@math.stanford.edu) for an appointment to discuss your application. You should also contact Professor A. Dembo (amir@math.stanford.edu) who will review your course selection and approve it.
