STANFORD UNIVERSITY
PARKING AND CIRCULATION MAP 2002-2003
Much of Stanford is under construction this year! The parking designations on this map, along with all our conditions and regulations, are subject to change at any time. So be sure to check the signs in the lot before you park.
Many lots are signed only at the entrance. In "shared" lots – e.g., those posted "EA or C" – you may park with either permit designated.
indicates areas under construction
