How to obtain the ANNALS macros: ftp instructions

The ANNALS macros, style files and documentation are available via anonymous ftp. They are located in the directory pub/user/annals.

To use ftp, type

```
ftp math.princeton.edu
```

Enter the name

```
anonymous
```

and your complete email address as password.

To change into the ANNALS directory, type

```
cd pub/user/annals
```

To copy the files you need, type

```
get filename
```

where `filename` is a macro file, style file or documentation file described below.

To get out of ftp, type

```
quit
```

`formatpl.tex`  The template file that should be used by authors who want to format their papers in plain \TeX.

`am.tex`  The plain \TeX style file included by `formatpl.tex`.

`plain.doc`  The documentation for the plain \TeX macros.

`formatam.tex`  The template file that should be used by authors who want to format their papers in \AMS\TeX.

`amams.sty`  The \AMS\TeX style file included by `formatam.tex`.

`ams.doc`  The documentation for the \AMS\TeX macros.

`formatlt.tex`  The template file that should be used by authors who want to format their papers in \LaTeX.

`amlt.sty`  The \LaTeX style file included by `formatlt.tex`.

`latex.doc`  The documentation for the \LaTeX macros.

Copyright information

The code at the bottom of this page indicates the copyright owner’s consent that copies of an article may be made for personal or internal use, or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per-copy fee through the Copyright Clearance Center, 222 Rosewood Dr., Danvers, MA 01923, for copying beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as for general distribution or for resale. The copying fee, applied as stated above, is $0.10 per page, per copy.
